

BAJAJ HOLDINGS & INVESTMENT LIMITED
CORPORATE SOCIAL RESPONSIBILITY POLICY

(I) PHILOSOPHY

The Corporate Social responsibility (CSR) activities of Bajaj Group are guided by the vision and philosophy of its Founding Father, late Shri Jamnalal Bajaj, who embodied the concept of Trusteeship in business and common good, and laid the foundation for ethical, value-based and transparent functioning.

Bajaj Group, thus, took the unprecedented step of using business to serve society over a century ago. Shri Jamnalal Bajaj strongly believed that “common good was more important than individual gain”. His philosophy has stood the test of time as it has been successfully taken forward by the succeeding generations i.e. firstly by his sons, Shri Kamalnayan Bajaj and Shri Ramkrishna Bajaj and now spearheaded by his grandson Shri Rahul Bajaj. This philanthropic approach has taken the Group to higher levels of success and respect.

Though the Group stands tall in the corporate world, with high ranking in terms of market capitalization, turnover, profits, range of products and services and various other parameters, Bajaj Group believes that the true and full measure of growth, success and progress lies beyond balance sheets or conventional economic indices. It is best reflected in the difference that business and industry make to the lives of people. Through its social investments, Bajaj group addresses the needs of communities residing in the vicinity of its facilities, taking sustainable initiatives in the areas of health, education, environment conservation, infrastructure and community development and response to natural calamities.

For society, however, Bajaj is more than a corporate identity. It is a catalyst for social empowerment. It is the reason behind the smile that lights up a million faces. Its goodwill resonates in the two simple words that live in the collective consciousness of Indians – Hamara Bajaj.
